take this if no car sic susceptible kids in car

85/ through saratora to Hwy 9 over the hill past castle rock /Bear Creek Road

Bear Creek Road - Do not use this route Very Twisty - 29 miles - 44 min -
take only if you want to have a messy car

85/17/Bear Creek Road - (Very twisty and tight)

- google recommend this one as the fastest route - don't believe it - very stressful to drive

Hwy 17 router - Longer but very low Puke factor - 42 miles - 55 min -

85/17 over the hill to Scotts Salley/Mt. Herman road (follow signs to roaring camp)/Hwy 9/Bear
Creek Road

it looks longer - but it is much safer on the car interior -
